UNITS COMPLETED Graduate _____ semester _____ Quarter

Undergraduate _____ semester _____ Quarter

Please designate your teaching major (not major under which degree granted) _____

Note to Credential Candidate: Please fill in the above information. Schedule your interview with the departmental advisor well in advance of the application deadline date. You are responsible for providing copies of transcripts for review at the time of the appointment. The purpose of the interview is to verify your academic background in the teaching major and to assess subject matter competency. Verification of subject matter competency is a requirement for placement as a student teacher.

To Be Completed by SDSU's designated undergraduate advisor. Based upon personal interview and review of academic records of this candidate, I recommend:

<input type="checkbox"/>	1. This candidate has met all requirements for subject matter competency through coursework and is recommended for admission and student teaching placement in a full time cohort.
<input type="checkbox"/>	2. This candidate is currently enrolled in the following coursework which must be successfully completed prior to student teaching placement in a full time cohort. <i>(All course work in progress listed below must be completed with a grade C or better).</i>
<input type="checkbox"/>	3. This candidate is recommended for admission to a Three Semester cohort. The following coursework must be completed prior to placement in any student teaching assignments. <i>(All course work in progress listed below must be completed with a grade C or better).</i>
<input type="checkbox"/>	4. This candidate is not recommended for program admission for the following reasons:
<input type="checkbox"/>	5. This candidate has successfully completed all coursework requirements in this approved subject matter program but plans to attend a California college or university other than San Diego State University for his/her professional preparation program. <i>This form should be delivered to the Credential Processing Center (EBA-259) for issuance of the formal letter of subject matter verification.</i>
