Welcome to Transfer Admission Planner (TAP)

This program is provided to help you identify courses required to meet transfer admission requirements for SDSU. It contains information about transfer courses that may be used to meet General Education Requirements and Preparation for the Major. It can also be used to help you identify individual courses that are equivalent to courses offered at SDSU.

Overview of Transfer Admission Requirements

Courses taken at a regionally accredited college or university and designated as appropriate for baccalaureate credit by that institution will be accepted by San Diego State University for credit toward transfer admission. This program provides information about how those transferable courses may be used to meet specific course requirements at SDSU.

Only those that have been reviewed by SDSU appear in this program. It is not a complete list of transferable courses.

Search for transfer courses that meet SDSU General Education requirements
Search for transfer courses to meet SDSU preparation for the major and required GPA
Select a transfer course and search for an SDSU equivalent
Select an SDSU course and search for a transfer course equivalent

STEP 2: CLICK ON SEARCH FOR TRANSFER COURSES THAT MEET SDSU GE REQUIREMENTS

General Education Requirements

Select your College

Select the first letter of the institution:

Select Letter: I

Select an institution:

Imperial Valley College

Select

Main Menu | View Colleges | Don't see your college?
STEP 3: Scroll down to search for courses in the specific **CSU Subareas: A2, A3 and B4** and complete the BSR form.

**STEP 4:** Repeat this process to look for courses at other schools you may have attended. You can use classes from any school you attended. For example, you may have taken a Math class at one community college that meets the Math requirement and you can use an English class from another school. All of your courses do NOT have to be from the same institution.
