
**Key Professional Development Strategies for
Teacher Knowledge Growth**

Yasemin Copur-Gen Turk
Research Assistant
Professor
USC Rossier School of
Education

**Friday, February 16, 2018
12 – 1 pm**

6475 Alvarado Road, Suite 128

RSVP: crmse@mail.sdsu.edu

Abstract: In this presentation, Yasemin Copur-Gen Turk will share her research on professional development as well as the findings from her recent study on the role of several key features of professional development in bringing about changes in teachers' mathematical knowledge for teaching. The presentation builds on her recent work on professional development and teacher learning and includes a discussion of new areas for the future research.
