

## SDSU School Psychology

### BCBA Approved Course Sequence (#4487 – 4<sup>th</sup> Edition Task List).

The Behavior Analyst Certification Board®, Inc. has verified the following courses toward the coursework requirements for eligibility to take the Board-Certified Behavior Analyst® examination. Applicants will need to meet additional requirements (1500 supervised fieldwork hours) before they can be deemed eligible to take the examination. This course sequence is required for ALL individuals taking the exam after January 1, 2015. Students MUST have OR be enrolled in a Masters or Doctoral program to complete this sequence.
