Funding Opportunities

A number of funding opportunities for grad students are highlighted on the SDSU web site http://grad.sdsu.edu/funding/funding_opportunities. Visit their webpage to find info on travel funds for conducting research or presenting findings. Note that the Student Success Fee travel applications are reviewed on a weekly basis and awarded until funds run out (so earlier is better).

Graduating Students

Program of Study (POS): If you are an MA student graduating this academic year, check your POS to make sure it reflects the actual courses taken. If you find any discrepancies, file a PAAR (Petition for Adjustment of Academic Requirements) by clicking [here](#) or gogging "SDSU Graduate Forms."

New and Continuing Students

Useful Information: the Graduate Affairs web site "Orientation and Handbook for New Graduate Students" includes a **Graduate Handbook** and flyers with important deadlines for registration, graduation, etc.: <http://grad.sdsu.edu>

New Graduate Recruitment Coordinator!

Please join us in welcoming **Rosalba Ponce** to her new position as Graduate Recruitment Coordinator. Rosalba has over a decade of experience as a principal and administrator in the Chula Vista Elementary School District and will be coordinating efforts to get the word out about our programs. For a presentation at your site, contact her at rponce@sdsu.edu.
