

PROGRAM HIGHLIGHTS:

- **Improve** your STEM instruction.
- **Connect** your classroom experiences with coursework.
- **Investigate** students' ideas in mathematics and science.
- **Learn** from award-winning faculty.
- **Add** a Foundational Credential in Mathematics and Science.*

* Must already have a preliminary teaching credential and must pass the appropriate CSETs. Free CSET preparation courses may be available from SDSU's MSTI program. See education.sdsu.edu/stemed/msti

Nick.Johnson@sdsu.edu

Nationwide, one of the only Master's programs focused on K-12 Mathematics and Science Teaching!

"This program was the best integrated program of classes I have ever taken. Because of this integration I was able to learn more and understand more and implement more in my classroom."

-Program Graduate

Course Dates

Summer 2022

- May 25 - June 16, 2022: Mondays & Thursdays (4:20pm - 7:00pm)
