

## PROGRAM HIGHLIGHTS:

- **Improve** your STEM instruction.
- **Connect** your classroom experiences with coursework.
- **Investigate** students' ideas in mathematics and science.
- **Learn** from award-winning faculty.
- **Add** a Foundational Credential in Mathematics and Science.\*

\* Must already have a preliminary teaching credential and must pass the appropriate CSETs. Free CSET preparation courses may be available from SDSU's MSTI program. See [education.sdsu.edu/stemed/msti](http://education.sdsu.edu/stemed/msti)

**Nationwide, one of the only Master's programs focused on K-12 Mathematics and Science Teaching!**

*"This program was the best integrated program of classes I have ever taken. Because of this integration I was able to learn more and understand more and implement more in my classroom."*

—Program Graduate

**Application Deadline:**

**February 1**

Applications open October 1 via Cal State Apply.
